Terms and Conditions

California Fire Protection and Backflow Inc. accepts no responsibility or liability as to the condition of the existing fire system, pipe or equipment adjacent to the backflow, valve assembly or piping being worked on and problems that may arise with the existing system. All material is guaranteed to be as specified and the above work to be performed in accordance with the specifications of NFPA 13, NFPA 24, & CA Title 19. The work will be completed in a workmanlike manner during our normal business hours of 7:00am to 5:00pm PST. Any alteration or deviation from specifications involving extra costs will be executed only upon written order and become an extra charge over and above the proposal. All agreements contingent upon strikes, accidents, or delays beyond our control. Payment with card are subject to 3.5% processing fee. **Please note that this proposal is only good for 30 days from the above listed date. Payment to be made in full within 30 days of completion of project.**

Acceptance of proposal- The above prices, conditions and specifications are satisfactory and are hereby accepted. You are authorizing the work as specified. By signing this proposal, this proposal becomes a legal and binding contract.

By my signature below, I authorize work to begin and agree to pay the Grand Total according to the terms and conditions of this agreement.
