Mr. Jesse Najera, Superintendent  
Silver Valley Unified School District  
35320 Daggett-Yermo Road  
Yermo, CA 92398

Dear Mr. Najera:

Thank you for your continued partnership during the Williams monitoring process. As part of my responsibilities under California Education Code section 1240, I am required to visit Williams-monitored schools in our county each year and share my findings with you on a quarterly basis (October, January, April, and July). This report is your district's second quarterly report for the 2024-25 school year.

Additionally, Education Code section 1240(c)(2)(C) requires that the results of these visits be shared with your governing school board at a regularly scheduled meeting held in accordance with public notification requirements. ***Please add this report to the agenda for your upcoming Board meeting.***

My findings are as follows:

**1. School Accountability Report Cards (SARC)**

2022-23 SARCs published in the 2023-24 school year were reviewed for accuracy of information pertaining to the quality, currency, and availability of instructional materials, and facilities good repair. Preliminary findings were provided to districts and charter schools with an opportunity for revision and resubmission, as appropriate. Upon final review, no inaccuracies were reported for your Williams-monitored site(s).

**2. Teacher Assignments**

Enclosed are the 2023-24 annual assignment monitoring review findings. The annual assignment monitoring review for the 2024-25 fiscal year will begin on or after April 1, 2025, according to data availability from the Commission on Teacher Credentialing and the California Department of Education, and findings will be included in the corresponding quarterly report.

There are no findings to report for **Instructional Materials** and **School Facilities**. As a reminder, these reviews were conducted during the first quarter of the 2024-25 school year as part of the Williams site visitation process.

On behalf of the SBCSS Williams team, it is a pleasure to work in collaboration with you and your staff at Silver Valley Unified School District.

Sincerely,

**Definitions & Explanations:**

“Teacher vacancy” means a position to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester. [E.C. Section 35186(h)(3) and C.C.R. Title 5 Section 4600(b)]

“Misassignment” means the placement of a certificated employee in a teaching or services position for which the employee does not hold a legally recognized certificate or credential or the placement of a certificated employee in a teaching or services position that the employee is not otherwise authorized by statute to hold. [E.C. 35186(h)(2)]

More than one misassignment may be identified within a certificated assignment (e.g., a special education teacher lacking authorization for potentially more than one disability). English learners (EL) misassignments are one per teacher of record and included in the total of misassignments.
